Sepator Bayard, Have you found that the serrchants of this city suf-fer such an amount of intimidation road, chartered by the State of that, although they are willing to Texas, of which seventy miles are have the facts brought before the already built from Shreveport Committee, they do not desire to be westward. This grant is 7,000. thomselves known.

That is so, sie. Q. Have you any reason to believe that it exists to any consid

erble extent?
A. At the commencement of the A. At the commencement of the unfortunate concession to John C. sittings of the committee it was entirely so; but they are taking emrage, and if you sit here two or three weeks longer I think they will

Q. You were in the appraisor's department once?

Why were you removed? A. I was not removed, I was legislated out of office. I took nofice of a very grave immorality in the office, which was the attempted passing of (10 boxes, bales and bundles, which they wanted me to pass dies, which they wanted me to pass
without examination, and I declined to do it because it was contrary to law . Mr. McCulloch sent on a special agest, and he sustained me and said I was right about it but I was legislated out of office, and didn't pay any further at tention to it.

In other words, the witness was an honest man, and determined to do his duty, therefore he was "legislated out of office" .- N. Y. Express.

BEAR HUNTING IN GEORGIA -Mr. Cornelius Cool, a celebrated hunter daring disposition, he concluded last week to come into close quarters with another bear, in which he came very near losing his life. In company with his brother John, he and not wishing to cut it if they ternoon, the first having been twencould scare the bear out any other ty two days from Omaha. way, they tried pounding the tree but with no success. They then the bear occupied. That still failing to move bruin, our hunter con-

bruin might have given him. Adam Aulbach and some dozen othnumner's Last Bill. Mr. Summer has introduced a bill in the senate "to prevent the in- PLACE. - An amusing incident took crease of the debt of the District of

Columbia. day. A countryman who was evi dently a great adm rer of Mr. Jef tion of the senator's civil rights notices in country and was reading some tions, is certrially not altogether posters on a wall, and looking at a consistent with them. The African circular of the Carolina Life Insur element hold the balance of power ance company, reading awhile to in the district, and by their votes himself, turned to his companion and influence virtually control legislation there. Has not the auriable, intelligent and bonest colored the circular he read in a loud tone leges thereauto belonging are withheld?" Of course, not one negro in ten pays a dollar in shape of taxes, and the white population are obliged to foot all the bills; but this is disadvantage incident to the "olevating of the race" and must be accepted as an inseparable accompa-niment of the philanthropic enter-prise in which the country has been for some years engaged. The blacks are impecunious—shall we blame them therefor? The whites have

gathers.

It costs something to be an honest man in the New York Customhopes wider the Radical administration. In first, honesty is next
to impossible under the prevailing
system, and only rogues and reguery can thrive. On this wornt across the broadest part of Texas. read the following from the testi, to El Paso, and thence send an read the following from the tests arm to San Francisco and another After reading this advertenment free Loy to strong of Mr. John C. Hopper, sec. arm to San Francisco and another survey with the survey of the National Revenue Redown to San Diego. His plans shower means are lower for the least rais.

comprise : First, the Texas and Pacific co road, chartered by the State of 000 neres, which, at \$3 an acre, would then alone make \$21,000,-

Next in Spott's enterprise is the Memphis and El Paso grant-that

have compromised for the Free mont bonds-sold in Paris-by mortgaging all their lands for th Set los miles of the road to said bondholders. Fremont's indebted ness is not less than \$2,000,000, and it is supposed that after in demnifying upon that compromise with the persons who took his bonds, the Memphis and El Paso Grant will still amount to 5,000,

Next in Scott's Texas and Pacific enterprise will accure the State bands of \$10,000 per mile which are not to be handed over until 600 miles of the road are completed and it spans the whole

Next, Tom Scott, if he builds this road will get the government grant of 13,000,000 of acres lying between El Paso and San Diego some of which is good land for agriculture, and much of it rich in

minerals. Putting these four things to gether, and valuing the land at between two and three dollars an In Webster county, Georgia, while acre, the Texas and Pacific conout hanting week before last, came cession amounts to \$68,000,000 in in contact with a large bear, which land and State bonds. Public dogs. Mr. C, after emptying his this road; but from Kansas, Col rifle at the bear, and seeing bruin orado, California, and even from with two of his best dogs down Utah, the road builders, with or against a log, politely stepped up and silenced him with his hunting ling South to tap the country at knife—saved his dogs and didn't the headwarters of the Rio got hart any himself, coming off Grande and pierce into Mexico, more than conquerer in that fight, while the Southern Pacific Rail Being naturally of a reckless and road is being pulled to pieces by its Congressional manipulators .- Civ-

THE SNOW BLOCKADE ON THE PA CIFIC RAILROAD. - QMAHA, Feb 9 .had tracked a large bear into a tree. Six passenger trains from the east The tree being a very large one, arrived at Rawlins Station this af

A report from some of the passengers is that frequently, between folled another tree against the one stations, those who had no provisions of their own were compelled to live on crackers and cheese, the cluded to climb the tree they had railroad company alleging that they felled against the one the bear was had nothing else An indignation in. So arming himself with a good revolver, he went up without any difficulty. The tree he went up creek and Wilcox. Many of them having lodged close to where the had volunteered to shovel snow. bear had entered the other tree, Mr. but protested against the character ad a peep into brain's den, of the provisions as being unwhole finding him lying at his ease. Mr. some and insufficient. In response C. opened fire with his revolver, to a telegram to a superintendent As soon as the first shot was fired, at Laramie, he ordered the distri the bear started out of his hiding botton or supplies in the express place snorting mad; and, while it car, belonging to a party of Eastern was getting out of the tree, Cool fir railroad men, eastward bound at ed three shots into him, which seem. Green River. The passengers are ed to have no effect on Mr. Bear, bitter in denouncing the manage who would have in an instant had ment of the road, the want of dis hold of Cool but for his brother cipline, the poverty of motive pow on the ground, who, seeing the po or, not having a single substantia sition of affairs, fired on the bear snow plow, the insubordination of with his rifle, giving him a dead employees, the general incompetenshot; and no doubt saved the life of ey of administration Sickness has his brother, as he would have fallen broken out in several passenger over one hundred feet had the bear cars. Second class passengers are seized him, to say nothing about suffering to some extent for want of the hugging, bites, and scratches food. This statement is signed by

er passengers.
